Governor Mickey is considering the application for a partion or commutation of sentence, but he announced Saturday that test from Albion he simply said that he would be pleased to hear from the people of any county who have anything to say to him regarding the application of a commutation for Lamb. The prisoner was convicted in Greeley county of complicity in cattle stealing. A stranger who stole cattle and who was supposed to be working in connection with Lamb. was pursued and killed by a sheriff. Another shooting grew out of these depredations. On this account there is considerable feeling in the several counties adjoining the scene. Lamb was found with stolen cattle in his possession and was sentenced to nine years in the penitentiary. A NEW GROCERY

One of the large retail grocery houses of the city having been destroyed by fire, and Mr. Dunham having announced that he will not engage in the same line of business again in Columbus, we are led to the conclusion that there is room in this city for another grocery. Accordingly we have secured the Spoerry building on East Eleventh street, and on Saturday, January 14th, we will display a new and select stock of staple and fancy groceries, and we respectfully ask a share of your patron-

During many years we have stood behind the counters of the best grocery houses in Columbus, and long experience and wide acquaintance places us in a position to know the wants of the trade in the circ and vicinity. Our stock will be clean and fresh, and our prices fair and right. Come and give us a chance to treat you as well in our own name as we have tried to do in the names of our former employers.
